

A luxury motorboat is shown from a high-angle perspective, moving across a vast expanse of clear, deep blue water. The boat is leaving a white wake behind it. In the background, there are several rocky islands with sparse green vegetation under a clear, light blue sky. The overall scene is serene and suggests a high-end boating experience.

RAND

LUXURY MOTORBOATS

2022

# OPEN HORIZONS

It is where we truly recalibrate – gazing into the open horizons. Like nothing else, undocking and journeying into the deep blue allows us to gather strength and return to our true nature. Whether alone or accompanied, it is where we regain perspective, and become humble, reminded of what is greater than ourselves.

RAND Boats was founded on this belief, and owes its existence to the ambition of proliferating this lifeaffirming sensation through functionalistic, innovative motorboats built and driven with the greatest respect for nature.

## SCANDINAVIAN SIMPLICITY

When form follows function, and all matters unnecessary to the core purpose stripped, the most accessible, life-improving products are given life to. This is what modern Scandinavian design is all about, and the idea that governs the RAND Boats design philosophy.

It is through the graceful, minimalistic lines characterizing the body of every hull, and the distinctive simplicity of every function from hatch to console that RAND Boats has attained its recognition, and left the portfolio of puristic daycruisers sought out by customers across the world, affectionate of simplistic design as well as intuitive function.

# INNOVATION & SUSTAINABILITY

In a market focused on achieving perfection in a fixed spectrum of traditional boat types and propulsion methods, RAND Boats sets out with a new approach to boatbuilding and leaves no stone unturned in the aspiration of bringing the most innovative and sustainable solutions to the market.

The time is now, and a combination of exceptionally low construction weight, and hydrodynamically optimized hull design allows RAND Boats to reach new heights of fuel efficiency and performance, whether through traditional propulsion or new electric propulsion systems.

# UNCOMPROMISING CRAFTSMANSHIP

At the core of every boat builder's pride is the dedication to craftsmanship. Taking the time to hone every inch of fiber and every angle of carpentry, producing close to custom made jewels with every boat leaving the production line.

The aspiration at RAND Boats' production facility is no less, and the results speak their true language, where the smallest detail is under careful scrutiny and constant development, and every bit of material handpicked to support the highest of quality standards.

# FUNCTIONALISM FROM STERN TO BOW

The dream of venturing into the oceans should not be limited. It should not be hindered by concerns of movability, space, or the difficulties of operating. Boats should be intuitive, simplistically designed, and present a layout inviting people aboard whether experienced sailors or novices.

RAND Boats strives to tear down boundaries, and aspires with each new model to create the very best for the specific purpose, whether easy plug-and-play daycruiser or the extravagant family weekender, all with a special dedication to the social experiences invited for by the sea.

# THE EASY WAY TO THE SEA

Picnic 18 is a new, ultrasimple approach to leisure activity at sea. Designed around the focal 62 x 145 cm center picnic-table the 18ft open daycruiser is the perfect platform for plug-and-play social experiences on water, and has bonded friends and families through early brunch outings to late night swims across the world since its launch in 2015.

The Picnic 18 seats up to a remarkable 10 passengers in total, and starts at an unusually low weight making it especially popular with the low powered electric engines for easy cruising through canals, lakes, and coasts. With electric propulsion it is available with inboard engines from 4 to 10kW, as well as Torqeedo outboard engines from 4 to 50kW all ranging up to a maximum of 20 kWh battery range.

With traditional gasoline propulsion the Picnic 18 comes with outboards from 9.9 to 60 HP, which makes for a great coastal cruiser capable of handling waves an uneasy sea with remarkable stability.

## Picnic 18

## SCANDINAVIAN FUNCTIONALISM

Picnic 18 is the perfect marriage between simplistic Scandinavian aesthetics and userfriendly functionalistic solutions, exemplified through the scenic teak-fitted aluminium steering console displaying no more than the outmost necessary – the intuitive throttle, the lush stainless steel steering wheel and marine stereo. Plug-and-play and easy for all to use.

## SIMPLICITY

The Picnic 18 is designed and constructed to ensure minimum maintenance. The boat is endowed with low-maintenance faux teak deck in the cockpit and bathing platform for the true maritime expression, and fitted with as little equipment as possible. All cushions can be stowed away in the large aft and bow storage compartment, or hidden completely beneath the full port cover.

## EASY TO USE

Picnic 18 is among the most popular electric daycruisers on the market, and has spread quickly to customers across the world looking for that easy-to-use platform for getting on the water. It is simple to drive, has perfect steering capabilities and a surprisingly high degree of stability making it optimal as well for customers with little or no previous sailing experience.

## SUN BED

By lowering the center picnic table and laying across a custom four-cushion sun lounge the front part of the Picnic 18 turns into a whopping 200x180 cm sunbed perfect for a relaxing nap or drying in the sun after a refreshing dip in the water.

## DINING SPACE

The center dining table captures the essence of the Picnic-idea, and has been the pivoting point of many joyous moments for its owners and passengers since the 2015 launch. With smooth rounded corners inviting for the hand's caress, the table can be fitted with stainless steel cup holders or left in its clean original state for the traditional picnic look.

— Mana 23 —

# ECO-FRIENDLY DAYCRUISER

The RAND Mana 23 is the ultimate electric displacement cruiser with a distinctive social hangout space suitable for all your social experiences on water.

Whether you are a newbie or an experienced sailor, Mana 23 is highly user-friendly and accessible. The remarkable stability and balance on board provides extra comfort to passengers and along with its low weight hull, it simplifies manoeuvring, making steering almost intuitive.

The open day cruiser has a unique functional layout, able to accommodate up to 10 people, with dining area located in the bow and a double aft sun lounge with extendable backrest. Mana 23 does not forget their captain and by centring its steering console, placing the majority of passengers in and social experiences front.

This 23 footer is a true spacious platform for all your activities ranging from having a lunch on the water or going for a cruise on the open waters.

## SIMPLICITY

Mana 23 is designed and constructed to require minimum maintenance by combining the Scandinavian aesthetics and user-friendly functionalists solutions. This low maintenance plug-and-play platform is easy to use for everybody. It is powered by Electric outboard engines neatly covered out-of-sight under the aft sun lounge, for increased handling and low maintenance that is preferred by outboard engine owners.

## ADAPTABILITY

Layout of Mana 23 contains areas designed for different purposes to adapt all your needs, whether you want to sunbathe on the aft double sun lounge or enjoy a romantic dinner by the sunset.

## CENTERED AROUND THE CAPTAIN

Captain in the centre of attention - The captain does not have to be excluded from all the fun. Mana 23 arranges the steering console into the centre so no passenger is deprived of the time well-spent.

## EASY MANOUVERING

The extraordinary hull design with reduced hydroponic drag adapted to effortlessly pierce the waves, and turn with immediate response, combined with the hidden outboard engines providing thrusts the direction you are steering towards.

## ON-WATER DINING SPACE

The center dining table captures the essence of the Picnic-idea, and has been the pivoting point of many joyous moments for its owners and passengers since the 2015 launch. With smooth rounded corners inviting for the hand's caress, the table can be fitted with four stainless steel cup holders or left in its clean original state for the traditional picnic look.

— Play 24 —

# FOR ALL NAUTICAL FUN LOVERS

The distinguished Scandinavian design of the RAND Play brings a new kind of open day-boat to the market. The minimalistic approach and the graceful, yet simple lines defines what luxury at the sea is really about.

The PLAY 24 concept follows the RAND vision of easy and intuitive leisure activity at sea and adds a great amount of fun, space, performance and speed on top.

The 24ft day-boat seats up to 10 persons and offers an impressive level of customization and comfort. The bow seating area can transform into an XL sunbed, and the aft area can transform into a relaxing kingsize sunlounge.

Praised by boating journalists and owners RAND Play serves all needs for nautical fun lovers and water sports enthusiasts.

## THREE PLAYFUL ZONES

The open daycruiser is divided into three zones, each representing different usability scenarios, from the spacious aft sunlounge expandable through the flip-over pilot backrest, and the three-seat pilot sofa, through to the comfortable bow dining area layout, all with the aim at bringing maximum joy to its passengers.

## UNIQUE FEATURES

The design is uncompromising, in the way that functionality comes first. The beautiful lines and surfaces, the graceful details and the impressive amounts of space, and the freedom to move around. Whether you will do high-speed sailing in smooth waters, or ride big waves at the ocean, the RAND Play will manoeuvre with a fun and engaging steering while remaining stable and safe.

## EXTENSIVE LOUNGE AREA

The bow lounge area can comfortably seat up to 7 people and transforms into an XL 200 x 200 cm sunbed protected by the high backrests.

## INNOVATION

A dedication to easy movability the Play 24 layout offers an overwhelming sense of space compared to competing boats in the range, and gives the versatility of usability scenarios to its owners, whether dining in the bow with an unhindered view of the sea, dazing in the rays on the luscious aft sun lounge, or cruising at full speed by the sporty captains steering console.

## HELM LOUNGE

The helm area provides great seating for 3 people while also forming an oversize chaiselon in connection with the swimplatform. The backrest can transform to create a kingsize sunbed and also support the captain in a raised steering position for a better view.

— Spirit 25 —

RAND

# DESIGN MEETS RAW PERFORMANCE

RAND Spirit 25 is one of the most captivating designer motorboats on the market. With classical motorboat design references RAND Spirit caters to the most selective aesthetics who also need raw performance and perfect handling.

Like all RAND models the special walkaround deck layout provides movability and a flexible 6 person seating lounge and allows its passengers to enjoy life at sea in high speeds or anchoring off the coast.

Spirit 25 offers an exceptional experience whether racing through waves or anchoring in harbour, enjoying drinks with your close ones.

## LEISURE ACTIVITIES

Spirit 25 by RAND Boats is the ideal ultrasimple platform for your leisure activities on water, whether alone or accompanied. The elegant 25ft open luxury day-cruiser offers a new way of experiencing social interaction with friends and family while sailing due to the unique interior design combined with high usability. With its clean lines and thoughtful details, Spirit 25 is the ultimate testmanet to style and luxury on water, while maintaining functionality and peerless performance.

## EXPANDABLE BACKREST

With its unique functional layout Spirit 25 is able to readjust its seating area with its expandable backrest. By flipping the pilot backrest when anchoring the helm seating area transforms its sporty layout into a cafe-style seating area within a few moments.

## SPORTY STEERING WHEEL

The sporty Spirit 25 steering console has taken inspiration from the automotive industry and lends comparison especially to classic Italian sports cars, offering a feeling of the ultimate race boat.

## FUSION OF A RUNABOUT & WALKAROUND

Combining the best from walkarounds and sportsboats, Spirit 25 provides the best aspects from a centre-console with free movability combined with the protection and beautiful exterior that the sports windscreen provides the classic runabouts models to offer a brand new experience.

## FROM SPORT TO COMFORT

Spirit 25 embodies the perfect marriage between sport and comfort. Exceptional stability and balance on board ensure high comfort for its passengers as well as captains with little previous sailing experience. Spirit 25 allows you to take a break from sailing anytime to enjoy some bonding moments with your friends and family on the sea.

— Supreme 27 —

# THE WATERSPORTS MANIFESTO

Supreme 27 is a watersports manifesto and a new approach to the popular bowrider class. Spacious and comfortable like nothing else in the category, the Supreme 27 is a spectacle of fun and games at sea, with a multitude of entertainment options and seating areas, all wrapped up in the usable and functional RAND Boats design, where every inch is designed to make the time aboard free of obstacles.

Spacious and comfortable like nothing else in the category, the Supreme 27 is a spectacle of fun and games at sea, with a multitude of entertainment options and seating areas, all wrapped up in the usable and functionalistic RAND Boats design. The overwhelming space aboard the Supreme 27 culminates at the aft sun lounge which provides a remarkable queen size threeman bed with perfect view of the horizon.

## Supreme 27

| 119.900 €

## UNIQUE LAYOUT FOR PLAY & INTERACTION

The innovative hull design and advanced structure secures impressive performance in the Supreme 27. Whether searching for efficiency or speed the Supreme 27 is class leading in both areas achieving planing speed at 14 knots in seconds and rocketing towards 50 knots barrier depending on engine choice and purpose. The wave-piercing bow cuts clean through the sea and creates a precise and comfortable ride.

## MOVABILITY

The Supreme 27 bow area approached the classic bow-rider section, traditionally laid out with a standard u-shaped seating area with access from the cockpit. As in all other ways the Supreme 27 differs in this regard as well by focusing on movability and ease of use, making the chaiselounge and lounge chair with table freely accessible through the windshield walk-through hatch.

## SPACIOUS SUN LOUNGE

The overwhelming space aboard the Supreme 27 culminates at the aft sun lounge which provides a remarkable queen size three-man bed with perfect view of the horizon disappearing and the wake shaping in the sea after the hydrodynamically shaped Supreme 27 hull. The aft sun lounge moreover opens up to the spacious wakeboard and waterski locker.

## CUSTOM COCKPIT DESIGN

The cockpit chaiselounge can be switched with the optional kitchen from the Leisure 28 on the port side of the Supreme 27, adjacent the electric toilet. The chaiselounge makes up a perfect little hangout to catch a different view of the cockpit and the kitchen offers everything you need for enjoying meals on water.

## AESTHETIC STEERING

The Supreme 27 steering console has taken inspiration from the automotive-industry and lends comparison especially to classic Italian sports cars with the informative dials and gages mounted into a carbonfiber panel, soft padded leather frame, and stainless-steel and natural leather steering wheel – controlled and operated from the rotating luxury sports captains seat.

— Leisure 28 —

# THE OVERNIGHT EQUILIBRIST

With 8,44 meters worth of lush and spacious luxury, Leisure 28 is a top priority among motorboat connoisseurs and those seeking the ultimate marriage between modern Scandinavian design and raw performance. Leisure 28 has become one of the most popular luxury designer boats in its class.

The design is uncompromising, in the way that functionality comes first. The beautiful lines and surfaces, the graceful details and the impressive amounts of space, and the freedom to move around. Whether you will do high speed sailing in smooth waters, or ride big waves at the ocean, the RAND Leisure will maneuver with a fun and engaging steering while remaining stable and safe.

## UNIQUE LAYOUT FOR SOCIAL INTERACTION

Leisure 28 is designed for social interaction and perfectly fitted for on-the-water leisure. Even for dining with a built-in adjustable table and seating for up to 12 people. The table can be lowered to serve as the base for a relaxing kingsize sundeck. The rounded edges and wide hull makes it easy to get in and out. The hull has been developed to provide the most stable platform possible to increase the comfort on board. The electric propulsion ensures joyful sails without a loud motor running and the smell of gas while sailing.

## ENDLESS POSSIBILITIES

Leisure 28 is modern luxury inside but with a tough, protective exterior. The spacious cockpit and its up to 12 passengers are sheltered safely behind the tinted windshield, built around a frame of stainless steel with a practical round grab-rail for safety, and an opening to the spacious foredeck through the practical windshield hatch.

## SUSTAINABILITY

The lightweight construction is fundamental for a boat. We use materials developed from recycled plastics and bio-based hybrids to optimize the environmental impact and create the best possible solution. The RAND Leisure consumes significantly less than traditional boats and will be the environmentally friendly choice within the watersport boat-category even if choosing a gasoline engine.

## EXTENSIVE LOUNGE AREA

Leisure 28 invites everyone onto a platform of relaxation with an excessively well appropriated layout where the large triple aft sun lounge, expandable oversize u-sofa, full kitchen and 2-split door toilet make up the cockpit, and the spacious 2 person luxury cabin make up the lower deck.

## CABIN WITH QUEEN SIZE BED

As an integral part of the ultimate luxury provided onboard the RAND Leisure's naturally illuminated cabin holds a queen size bed for two persons when staying overnight.

— Escape 30 —

# THE PERFECT GAME CHANGER

Escape 30 is the perfect all-rounder that combines protection and an open space with all necessary amenities compiled in just 30ft. The clever deck layout and pioneering solutions provide the functionality of a 40 ft experience in a compact power cruiser with cabin and toilet with full standing height, tanning space and hard-top protected kitchen and dining areas.

Escape 30 provides the modern 30ft open powerboat layout into a more compact and sporty size offering the ultimate speed and raw performance.

The open day yacht has a unique functional layout without compromising its modern layout. Escape 30 is the perfect solution to all water activities, whether you will do high-speed sailing in smooth waters or lunch on water with your family.

## Escape 30

### SPECIFICATIONS

Model:	RAND Escape 30

Battery:	40 - 200kwh

### POWER SERIES

Maximum power:	350 to 600 HP
----------------	---------------

### Escape 30

231.900 €

169.900 €

## UNCOMPROMISING SPACE

Escape 30 provides the modern 30ft open powerboat layout into a more compact and sporty size that can even be trailered, creating a unique multi-use open space with walk-around cockpit that grants easy access around the boat that is protected by a XL fenderlist.

## TRIPLE AFT SUN LOUNGE

The triple aft sun lounge and large swim platform is an open invitation to enjoy the sea. Providing a remarkable queen size three-man bed with the perfect view of the horizon, the aft sun lounge invites for a dip or a moment of relaxation on the sun.

## PERFECT ALL-AROUNDER

Escape 30 embodies the ultimate hangout space with its overwhelming space for movability, begging for good times onboard with friends and family. The Escape 30 is the perfect getaway for adventurous individuals seeking to venture out into nature and explore what is around the next corner. Available with electric and gasoline propulsion and both inboard or outboard engine placement, we offer different packages specifically tailored to your needs and usability scenario.

## HARD-TOP PROTECTED LIVING SPACE

A modern T-top with built-in windscreen provides more protection for the passengers, which makes your plans bulletproof against an unexpected weather change and the possibility to completely close off the seating and helm means that you can continue if the weather turns bad.

## PERFECT DAY-BOAT

With ability to accommodate 12 people, the boat consists of 5 areas, the bow area, the aft triple sun lounge and the dining area including the captain's helm position with flip-over pilot backrest and an overnight cabin and toilet.
